Are you up to the challenge!? Join CIRTA's Commuter Connect for the 2017 Commuter Challenge throughout the month of May!

The Commuter Challenge is a fun and easy way to encourage commuters to use alternative, more sustainable modes of transportation, including carpooling, vanpooling, riding transit, bicycling, walking, and telecommuting. Throughout the month of May, every logged commute qualifies for an entry into a prize drawing.

Commuters can be entered to win in three simple steps:

- 1.) Register online with Commuter Connect for free
- 2.) Commute using an alternative mode of transportation in the month of May
- 3.) Log each commute in your online Commuter Calendar and become eligible to win!

So whether you use one alternative mode of transportation or try them all, you'll save money, reduce stress, burn calories, recapture some time, AND contribute to helping your environment.
